

**Remarks/Arguments**

Claims 1 through 6 are pending in the present application. Claims 1 through 3 and 5 stand rejected, and have now been canceled. Claims 4 and 6 have been objected to as being dependent upon a rejected base claim, but would otherwise be allowable.

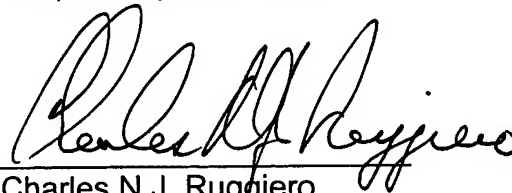

Applicant sincerely appreciates the Examiner's indication of allowable subject matter in claims 4 and 6. As suggested by the Examiner, claims 4 and 6 have been rewritten in independent form and are therefore in condition for allowance.

The Office Action asserts that claims 1 through 3 and 5 are unpatentable over U.S. Patent No. 6,889,048 to Koo in view of U.S. Patent Application No. 2001/0009863 to Kim. This rejection is now moot since claims 1 through 3 and 5 have been canceled.

In view of the above, Applicant respectfully submits that all claims presented in this application are patentably distinguishable over the cited references and combination of references. Accordingly, Applicant respectfully requests favorable consideration and that this application be passed to allowance.

Respectfully submitted,
